MAHALO for your generous support, donations, and club memberships

The Alano Club has successfully spent the past few years raising and spending funds to restore the aging, 60-year-old facility and to pay off the mortgage. Now we can, at last with your support, increase Westside 12-step programs, expand outreach to homeless and other addicts, and provide additional meals to these communities.

Mission/Vision

OUR MISSION: Provide a safe, clean and sober environment for fellowship and recovery. (Keep the doors open, no matter what!)

OUR VISION: Enhance the Alano Club's role as the sober Westside Maui sanctuary for recovering alcoholics and addicts and as a significant resource for those still suffering outside of 12-Step programs.

The Alano Club of Lahaina, Inc. maintains a facility that accommodates numerous daily and weekly Alcoholics Anonymous, Narcotics Anonymous, Al-Anon and other 12-Step meetings and serves weekly meals to this community. The Alano Club was formed 30 years ago to provide a place where Maui residents and visitors who are battling addiction can meet and recover from their addictions by attending and obtaining support in 12-step recovery programs.

What we do

BROADEN PARTICIPATION IN 12-STEP PROGRAMS AND INCREASE COMMUNITY OUTREACH

By providing 12-step meeting spaces – as well as serving meals and a safe, sober place for fellowship, the Alano Club of Lahaina, Inc. greatly increases the odds against alcohol or drug addiction relapse. This is the kind of relapse that so often results in incarceration, homelessness and disruption or destruction of individuals and families. Additionally, the Alano Club seeks to work with alcoholics and addicts who are homeless and/or outside of 12-step programs – those who are suffering the ravages of alcohol and/or drug addictions.

One of our primary purposes is to help alcoholics/addicts to achieve and maintain sobriety. Based on our volunteer efforts to date, we have saved many lives and have saved the County of Maui and State of Hawaii significant sums of money by helping homeless drunks and addicts off the streets and into sobriety and recovery. Additionally, we direct them to, or assist them with other vital resources such as sober living homes and rehab centers like the Aloha House or homeless housing at the Resource Center.

Successes

Some of the great successes we have seen at the Alano Club are former homeless alcoholics and addicts who previously lived in West Maui parks and on the streets, who have achieved sobriety, permanent housing, gainful employment and happy, fulfilling lives. Their lives have been transformed so that now they live with dignity and are contributing members of society.

Currently, the Alano Club provides meeting space for many 12-step programs and is home to approximately 30,000 12-step meeting attendees per year. The Alano Club of Lahaina welcomes and encourages all 12-step programs to use our facility.

Our continuing goal is to increase community outreach to alcoholics, addicts and their families and to broaden participation in 12-step programs.
